The Bluest Eyes in Texas

recorded by Restless Heart

Bb **Eb**
The lonesome Texas sun was setting low
Bb **Eb**
And in the rearview mirror I watched it go
Cm **Gm** **F** **Bb F**
I can still see the wind in her golden hair
Cm **Gm** **Eb**
I close my eyes for a moment, I m still there

CHORUS:

F
The bluest eyes in Texas
Gm **F** **Eb**
Are haunting me tonight
F
Like the stars that fill the midnite sky
Gm **F** **Eb**
Her memory fills my mind
Bb
Where did I go wrong (Did I wait too long)
Gm **F** **Eb**
Or can I make it right
Bb **Gm** **F** **Eb**
The bluest eyes in Texas are haunting me tonight

Another town another hotel room
Another dream that ended way too soon
Left me lonely way before the dawn
Searching for the strength to carry on

CHORUS

(Instrumental first two lines of verse)
For every heart you break you pay the price
But I can t forget the tears in her blue eyes

CHORUS

(Instrumental fade)
