Remeber the slides in this song.. it s pretty important ^^ you don t have to do exactly as they do.. just slide :) not only when it says slide but like when you want to slide :)

C# D# E A E B
I reach for the top, and I m never gonna stop
F# E A C# B

F# E C# B
I want my life to be, a great big party

(same for this part ;))

You can have your boring dreams, I think I know just what it means
To sit and watch TV, until your eyes pop out
You can pretend that your alive, when you struggle and you stripe
But if somebody dropped a bomb, you wouldn t notice

E B C# A
We can make it to the top, be winners in the end
E B C# B
To the end of time, we want strings to bend
E B C# A
And to use it, we ll never break through
E B C# B SLIDE! B
We shall show the world

When I m sittin on the top, I m gonna take one day off
I m gonna sing this refrain, just to tell you once again
That when you work from 9 to 5, you won t ever feel alive
And it s better to fail, then never try at all
