Reuben Hudson

[Verse 1]

B **F#**
I wanna say yes but I ve gotta say no
B **F#**
Is that the time? I really have to go
B **F#** **B** **F#**

If this works out do you think we could
B **F#**
Settle down together in a nice neighbourhood
B **F#** **B** **F#**
Probably not

[Chorus 1]

B
Because I m only sixteen
B
I m only sixteen years old
B
And this love won t last long
B **E**
If what I ve been told is right
E **F#** **B**
But we ve still got tonight

I don t think about you every day
B **F#**
But if I m walking you re on my mind part the way
