

Enemy
Reuben

[Intro]

Am Aadd9 x2

[Verse]

Am Aadd9 G
You alone should know that shit sticks fast
Weighing up the consequences

F E
You made up your mind to kick my ass
And I was left with no defences

Am Aadd9 G
I am a little screwed around inside
Do you think I don't remember?

F E
Well, I can't forget the things you did
Now, can I?

[Chorus]

G A# Fm
I'm your enemy. x4

[Verse]

Am Aadd9 G
Sugar faces, plastic smiles and all
Nothing seems to pacify me

F E
The people watch and wait for me to fall
Go ahead and fucking try me

Am Aadd9 G
I see the features crack into a grin
And I'm glad you think it's funny

F E
Well, I'm coming back for something more
And I am not laughing, am I?

[Chorus]

G A# Fm
I'm your enemy. x4
Yeah.

[Instrumental]

Am Aadd9 G
