Death Don't Have No Mercy - Reverend Gary Davis
Capo 1

There are two different versions here. The top one is a live version that I personally
the most and the 2nd version is another set of lyrics I found and Iâ€™m guessing
that they
the studio version. Hope this helps. Enjoy!

[illegible]

He wont give you time to get ready In this land
He wont give you time to get ready In this land
Well he come to your house and he wont stay long
You look in the bed and youâ€™ll find your father gone
He wont give you time to get ready In this land

Well heâ€™ll leave you standin there cryin In this land
Heâ€™ll leave you standin there cryin In this land
Heâ€™ll come to your house and he wont stay long
You look in the bed and youll find your sister gone
Heâ€™ll leave you standin there cryin in this land

Oh death never takes a vacation In this land
Death never takes a vacation in this land
Well he comes to your house and he wont stay long
You look in the bed and youll find everybody gone
Death never takes a vacation in this land
