Chorus 2x [First time is soft, second time is all-out]

VERSE 1
```
D           A        E
Teach me to number my days
                  D
And count every moment
          A       E
Before they slip away
                D
Take in all the colors
          A         E
Before they fade to gray
```

PRE-CHORUS
```
D  A   F#M  E                 D      A       E
I don t wanna miss even just a second more of this
```

CHORUS
```
                F#M
It happens in a blink
                D
It happens in a flash
                  A                 E
It happens in the time it took to look back
                    F#M
I tried to hold on tight
                     D
But there s no stopping time
                  A           E
What is it I ve done with my life
                F#M     D
```

```
It happens in a blink
                   A       E
It happens in a blink

VERSE 2
D             A         E
When it s all said and done
                 D
No one will remember
     A            E
How far we have run
                    D
The only thing that matters
    A           E
Is how we have loved

CHORUS 2
                 F#M
It happens in a blink
                 D
It happens in a flash
              A                E
It happens in the time it took to look back
                   F#M
I tried to hold on tight
                   D
But there s no stopping time
               A                E
What is it I ve done with my life
            F#M     D
It happens in a blink
               A     E
It happens in a blink
            F#M     D
It happens in a blink
               A     E
It happens in a blink

BRIDGE
D    A    F#M  E
Slow down, slow down
D          A               E
  Before today becomes our yesterday
D    A    F#M  E
Slow down, slow down
D            A                 E
  Before you turn around and its too late
```
