

Something Glorious
Revive

I actually emailed the band to get these chords, because I couldn't find them anywhere else.

So, I'm the first person ever to have these chords posted somewhere, and these are 100%, considering they're coming from the band itself!!
Best of luck playing, and God bless!

Something Glorious

Artist: Revive

Intro

D **G**
D **G**

Verse

D **G**
You're staring at the ceiling, but the stars are out tonight
D **G**
You're looking for some meaning, but you're afraid of the divine
Bm **A** **G**
Open your eyes to see through the walls of doubt
Bm **A** **G**
Open your heart to live beyond the shell that holds you down

Chorus

D **A**
Show me some something glorious, show me something glorious
Em **G**
and I'll show you the maker of it all
D **A**
Show me some something beautiful, show me something beautiful
Em **G**
and I'll show you the one behind it all

Verse 2

D **G**
You're standing on the surface you can't tell how deep it goes
D **G**
Searching for a purpose to this life you've come to know
Bm **A** **G**
Open your eyes to see through the walls of fear
Bm **A** **G**
Open your heart to live beyond the shell that keeps you here

(Chorus)

Bridge

Bm **A**

D/F# **G**

You ain t seen nothing yet, you ain t seen nothing yet

Bm **A**

G

You ain t seen nothing yet. Open your eyes

(Repeat Chorus)
