You Know

G2

```
Revive
Intro: D, G2, Bm7, Asus (x2) You Know By Revive
Verse
I have so many dreams for my life
          Asus
I m going this way and that
                              G2
Spending so much time worrying
Bm7
       Asus
About how it s all turning out
Chorus
But you know where I ve been
Asus
And you know where I m going
                                              Asus
Cause you see all my plans for what they are
I lay them all down
Intro:(x1)
Verse
You keep the sparrow flying in the sky
       Asus
Why do I question you?
                                     G2
The flowers of the field are wonderful
Bm7
        Asus
I m a child in the palm of his father
Chorus
Break: Bm7, Asus, D (x3)
Chorus:2
G2
But you know where I ve been
And you know where I m going
                                                Asus
Cause you see all my plans for what they are
         D
                       Asus
And you know. And you know
```
