G
God You are full of grace and mercy
C **G C**
And Iâ€™m standing in the light Youâ€™ve done for me
G
God You are giving me compassion
C **G C**
And You teach me what it is to love the lost

G **C**
To love the lost
G
With all my heart
C
Pick up my cross
G
And follow You

God please, teach me how to weep as You
Weep for all the broken hearted and
Make me effective in my gifting that
I can see Your glory falling here
