

Happiness

Rex Orange County

I ll be the one that stays till the end
And I ll be the one that needs you again
And I ll be the one that proposes in a garden of roses
And truly loves you long after our curtain closes
But will you still love me when nobody wants me around?
When I turn eighty-one and forget things will you still be proud?
Cause I am the one that s waited this long
And I am the one that might get it wrong
And I ll be the one that will love you the way I m supposed to, girl
But will you still love me when nobody wants me around, around?
When I turn eighty-one and forget things, will you still be proud?
Proud of me and my short list of accomplishments, say
And me and my lack of new news
Me and my selfishness, oh me and myself
Wish you nothing but a happy new version of you
Because I, I mmm, mmm, yeah
I want you to tell me you find it hard to be yourself so I can say
