

2 Guys 600 Pillows

Rhett & Link

F **F**
Do, do you remember back in middle school
Am
When my trunks fell down
Bb **C**
At the pool

F
Everyone laughed
F
Except for you
Am
You just let me hold you
Bb **C**
In my bedroom

F
Our freshman year when
F
Julie McNight
Am
Dumped me because of my overbite

F
I cried all night
F
All over you
Am
You didn't seem to mind
Bb **C**
My tears or my drool

F **Bb** **F**
I could always hold you tight
F
(My favorite pillow)
F **Bb** **F**
So soft, so cool on your other side
F
(My favorite pillow)

F

In my eyes

You ve been nothing but classy

Am

But everybody s saying

Am

You re nasty

F

Full of fungus,

F

It can t be true

Laden with bacteria

Bb **C**

F

But the thing

F

That really did me in

Am

I learned your full of dust mite excrements

F

And those dead skin cells

F

May be mine

Am

But knowing what s in you,

Bb **C**

I can t sleep at night

F

Bb

F

We ve been through both thick and thin
