

Robot Girlfriend
Rhett & Link

(Verse 1) :

F **A7** **Dm** **C** **Bb**

I ve never had too much luck with females

F **A7** **Dm** **C** **Bb**

I m not confident unless I m writing an email

Gm **C**

But my life would be so sublime

Gm **C**

If I bought a robot girl online

I d never hear her silicon mouth complaining
about my dry scalp or my excessive gaming
She s my Small Wonder, I m her Voltron
I flip a switch and it turns her on!

(Chorus) :

My robot girl----- friend... the best relationship I d ever be in

(Verse 2) :

She s got a grip stronger than an ape
And she can calculate a tip to the twenty-fifth decimal place
Though we can t go outside in rainy weather
We can still play solitaire together

Meeting her folks would be no real cause for fear
They re just a team of friendly Japanese engineers
If I ever start to think that she might leave me
I ll de-frag her hard drive and wipe her memory

(Chorus) :

My robot girlfriend...the best relationship I d never be in.
