

**Turkey In A Trash Can**  
**Rhett & Link**

This tab was originally played without a capo, where Rhett played a Gm and Cm bar chord.

However, it may be easier to play with a capo on the third fret, and play a Em in place of the Gm, and a Am in place of the Cm, or place the capo and simply transpose the song down three half steps.

[Verse]

**Gm**

We re here together, in these apocalyptic lands,

**Cm**

being chased by a biker gang, whose got flamethrowers for hands.

**Gm**

But we won t let that stop us, from enjoying a Thanksgiving feast, no,

**Cm**

even though everyone we know, is deceased.

[Chorus]

**Gm**

We got a turkey in a trash can, turkey in a trash can.

**Cm**

A turkey in a trash can, turkey in a trash can.

**Gm**

Has anybody seen our friend Stan? He was playing guitar and he had gloves on.

**Cm**

Got a turkey in a trash can...

[Bridge]

**Gm**

And I ll bet we ll be singing this song, sixty minutes from now.

**Cm**

[Chorus 2]

**Gm**

We still got a turkey in a trash can, turkey in a trash can

**Cm**

A turkey in a trash can, turkey in a trash can.

**Gm**

We can t locate a woman, preferably we d find two.

**Cm**

We got a turkey in a trash can, now lets get it out.
