Love, gets you in the gut  
**Dm** **F**  
Takes the top off of your head  
**Dm** **F**  
And makes you wish, that you were dead  
**C** **G**  
Drugs, help but not enough  
**Dm** **F**  
Take the road off of your mind  
**Dm** **F**  
And scoop out everything you find
