Be Your Man Rhys Lewis

[Intro] F G Em F G Em

Am

Well, I could kiss you like he did

Bet you wish I had his lips

F

But I don t, no, I don t

Am

And I could hold you quite the same

Εm

Guess my arms don t seem as safe

F

When it s cold, when it s cold

G

You got me feelin like I don t deserve you

G G#m

And I m tryin to deal with this pain

Am

But it kills me cause I know you still love him

Dm Am G

Tonight you gotta let go of someone

7

Cause while you re holding on on what you had

You re not giving me a chance

F G Am

To ever really be your man

Am

You say you re fine, you re moving on

Em

Say that I m the only one

F

But I know, yes, I know

Am

That I ${\tt m}$ in his shadow all the time

Em

Cause he still creeps up on your mind

F

Like a ghost, like a ghost

G

You got me feelin like I don t deserve you

G G#m

And I m tryin to deal with this pain Am But it kills me cause I know you still love him Dm Am Tonight you gotta let go of someone Cause while you re holding on on what you had You re not giving me a chance F G To ever really be your man Em But if you let me, I could set your world on fire Give you somethin better than you ve ever had Em And if you let me in, girl we d have everythin G But it s like your heart is stuck in the past F Dm Am And it kills me cause I know you still love him Dm Am Tonight you gotta let go of someone Cause while you re holding on on what you had You re not giving me a chance

G

To ever really be your man
