

Couldve Been  
Rhys Lewis

[Intro]

C# G#m F# F#

C# G#m F# F#

[Verse]

B

I told myself not to worry

G#m7

Told my head you would go away

D#m7

I told my heart not to hurry

D#m

Thought the years would ease the pain

B

I always said if i saw you

G#m7

I d be fine with just being friends

D#m7

D#m

But now i am caught up on the thought of us again

[Chorus]

C#

Cus it could ve been me

G#m

I couldve been with you

F#

Could ve been

C#

It could ve been me

G#m

I could ve been with you

F#

I could ve been

[Verse]

B

I told myself not to visit

G#m7

All those times that I had a chance

D#m7

I told myself I could live

D#m

Seeing you with another man

B

But truth be told im dying

G#m7

I can t stand the way it is

**D#m7**

**D#m**

Cus your hands should be on mine instead of his

[Chorus]

**C#**

Cus it could've been me

**G#m**

I could've been with you

**F#**

Could've been

**C#**

It could've been me

**G#m**

I could've been with you

**F#**

I could've been

[Bridge]

**A#m7**

I chained myself to my mistakes

**C#m7**

**G#m7**

I can't escape the way I let you down

No, no, no

**A#m7**

They tell me that there's time to change

**C#m7**

**G#m7**

Say there's still a way to love you now

N.C.

Or could it be me?

N.C.

Could it be with you?

N.C.

Could it be?

N.C.

**C#**

Could it be me?

**G#m**

Could it be with you?

**F#**

Could it be?

Could it be?

Could it be?

**C#**

You gotta let me know

**B**

I can't let you go

**F#**

So could it be?

Could it be?

**C#**

I got nothing left to lose

**G#m**

So now im asking you

**F#**

Could it be?

Could it be?

[Outro]

**C#**

Could it be me?

**G#m**

Could it be with you?

**F#**

Could it be?

Could it be?

**C#**

Could it be me and you?

**G#m**

Me and you

**F#**

Could it be?
