

Awesome God
Rich Mullins

Hey guys! This tab is 100% correct! A short song but a good one! :D
What I have done is transposed it into capo 2 becuae the original chords
(chords
without the capo on) can be hard and awkward at times! So much easier with a
capo!
So if you have a capo then use it and play the chords that are not in the
brackets,
if you don t have a capo then bad luck but u ll have to play the chords in the
brackets
Feel free to drop me a line if you have any questions on

Enjoy!
