

**Awesome God**  
**Rich Mullins**

Hey guys! This tab is 100% correct! A short song but a good one! :D  
What I have done is transposed it into capo 2 because the original chords  
(chords  
without the capo on) can be hard and awkward at times! So much easier with a  
capo!  
So if you have a capo then use it and play the chords that are not in the  
brackets,  
if you don't have a capo then bad luck but you'll have to play the chords in the  
brackets  
Feel free to drop me a line if you have any questions on  
voodoo\_doll185@hotmail.com!  
Enjoy!
