## Verse 2:

There s people been friendly, but they d never be your friends Sometimes this has bent me to the ground

Now that this is all ending

I want to hear some music once again

Cause it s the finest thing that I have ever found

But the Jordan is waiting
Though I ain t never seen the other side
Still they say you can t take in the things you have here
So on the road to salvation
I stick out my thumb and He gives me a ride
And His music is already falling on my ears

There s people been talking
They say they re worried about my soul
Well, I m here to tell you I ll keep rocking
Til I m sure it s my time to roll
And when I do

## Repeat Chorus:

But when I leave I want to go out like Elijah With a whirlwind to fuel my chariot of fire And when I look back on the stars
It ll be like a candlelight in Central Park And it won t break my heart to say goodbye

## Repeat Chorus:

Cause when I leave I want to go out like Elijah
With a whirlwind to fuel my chariot of fire
And when I look back on the stars
It ll be like a candlelight in Central Park

And it won t break my heart
