F#            G#m7 F#/G#                 B  /C#  Ebm  Bbm  B2   /C#
Aidan you re young, but Aidan you re growing fast
F#         G#m7 F#/G#       B  /C#  Ebm  Bbm  B2
Me and your mom   and all the love we have
Bbm7        B2            Bbm7          B
We can only take you so far, as far as we can
         B2           Badd4/B                  B2          Badd4/B
But you need something more to guide your heart as you grow into a man

Chorus:
          C#      F#            B2         F#
Let mercy lead let love be the strength in your legs
    B2            Ebm            B2        G#m7
And in every footprint that you leave there ll be a drop of grace
          C#  F#        B2            F#     B2        Ebm
If we can reach beyond the wisdom of this age, into the foolishness
of God
      B2                         G#m7
That foolishness will save those who believe
                 Ebm                          B2
Although their foolish hearts may break they will find peace
      G#m7                      F#      G#m7   F#/G# F#
And I ll meet you in that place where mercy leads

Aidan the day, Aidan the day will come
You ll run the race that takes us way beyond
All our trials and all our failures and all the good we dream of
But you can t see yet where it is you re heading
But one day you ll see the face of love

CHORUS
          G#m7                           C#    F#
...and I ll meet you in that place where mercy leads
