Em D A D

G D A D

Em **D**
The lights are always on red
A **D**
The radio man said someone died and
G **D**
I turn around and see a face
A **D**
that reminds me of you

Em **D**
The blossom comes and quickly goes
A **D**
Those animals, they d soon get old
G **D**
And nature finds a way of takin hold
A **D**
Whoever you are
G **D**
I need to touch your skin
A **D**
To know I m alive

G Em Em
And all my dreams wrapped up in you
G Em Em
All my dreams are wrapped up with you
G Em Em
All my dreams
G Em Em
You re all my dreams

I think they re playin our song
A **D**
Come on. let s get up, get on
G **D**
Life s too short just to fade away
A **D**
Don t talk of gettin old

Bm **D**
You still got that style
A **D**
You got that grace and that smile now honey
G **D**
I wanna just live tonight
A **D**
And find our way home
G **D**
I went back to that special love
A **D**
The one you must call

G Bm Em
And all my dreams (wrapped up in you)
