

Let My Soul Rest
Richard Ashcroft

C Dm Dm G Em Am
Are you with me? Are you here?

F Dm
Cause I can't see I heard the word

G Em
I heard a whisper (I want you to hear) in the trees

Am F
I heard a problem in the breeze

Dm
Lord have mercy - let me be, yeah yeah

C C/G Am G
Let my soul rest in peace

F C
Oh I have had too much pain, had too much pain

Dm G
Oh-oh-oh - I wanna fly again, I wanna fly again

C Dm Dm G Em
So take me up through the shit

Am F Dm
And the hurt - let me find rarer air

G Em
Where I cope, where I fit

Am F
Where there's hope to forgive

Dm G
Where this dark comes to light - oh-oh-oh

C C/G Am G
Let my soul fly
