

## Dark Road

Richard Hawley

(i couldn't find this anywhere and i love it so heres my meagre attempt, it sounds to me - any better would be much appreciated)

**Dm**  
Itâ€™s a long dark road  
**C**  
That I call my home  
**Dm**  
Itâ€™s a long dark road  
**C**  
That Iâ€™m cursed to roam

**Dm** **G**  
These many nights Iâ€™ve been banished here  
**C** **Am**  
My companion is the stars  
**Dm** **G**  
With a bed-roll and a blanket  
**C** **Am**  
And just the rocks to lay my bones  
**Dm** **G**  
One day from the darkness  
**C** **Am**  
Iâ€™ll come rapping at your door  
**Dm** **G** **C**  
And Iâ€™ll never walk this road any more

Itâ€™s a long dark road  
That I call my home  
Itâ€™s a long dark road  
That Iâ€™m cursed to roam

These many nights Iâ€™ve been banished here  
My companion is the stars  
With a bed-roll and a blanket  
And just the rocks to lay my bones  
One day from the darkness  
Iâ€™ll come rapping at your door  
And Iâ€™ll never walk this road any more

**Dm** **G** **C** **Am**  
No Iâ€™ll never walk this road any more  
**Dm** **G** **C** **Am**  
No Iâ€™ll never leave this home any more
