

Run For Me

Richard Hawley

Richard Hawley

Run For me

Tabbed by Mouthman

[Verse 1]

B **E**
Later here this morning, if the crowds hold back the rain
F# **E** **B**
I ll declare my intent to race again
B
Baby I ve done running
E
I ve cut myself a deal
F# **E** **B**
Gave myself a ladder, this time for real

[Pre-chorus]

E **B**
And I ve got nothing on the inside left to charm, just look at me
E **B** **F#**
And I ve got nothing to live up to and nothing to reveal

[Chorus]

E **B**
Go on run for me
E **B**
Go on run for me
E **B**
Go on run for me because I can t take it back
G#m **F#** **E** **B**
Gone the summer gone the past and now it s done
E
Now it s done

[Verse 2]

B
The lane is laced with ashes
E
My road is paved with fear
F# **E** **B**
I bathed myself in sweet grass to tame the years

[Pre-chorus]

And I ve got nothing on the inside left to charm, just look at me
And I ve got nothing to live up to and nothing to reveal

[Chorus]

Go on run for me
Go on run for me
Go on run for me because I can t take it back
Gone the summer gone the past and now it s done
Go on run for me
Go on run for me
