**The Motorcycle Song**
**Richard Hawley**

Capo on the 3th fret!
Enjoy!

Intro :
**G** – **D** – **G** – **A**   x2

   **G**                              **D**
And I don t know my way back home
    **G**               **A**
My motorcycle s full of holes
    **G**                          **D**
And I can t find my way back in
     **G**                        **A**
I m hungry and my shadow s thin
     **G**               **D**
The road of anyone can change
    **G**                 **A**
I know that we won t meet again
    **G**                 **D**
The key was in the open lock
    **G**                       **A**
You d see through any blanket fog
      **G**                            **D**
There s places is on the seabound roll
    **G**                 **A**
But I can t even find the boat
    **G**                     **D**
I don t know the way back home
   **G**                 **A**
My motorcycle s full of holes
       **G**    **D**   **G**   **A**
Full of holes
       **G**    **D**   **G**   **A**
Full of holes

And someone turned the lights way down
But shelter is what brought you round
She said the outside is the in
It s risky when you drink that gin
The key was in the open joint You d see from any vantage point
And I can t find my way back in
I m hungry and my shadow s thin
There s places is on the seabound roll
But I can t even find the boat
And I don t know my way back home
My motorcycle s full of holes
Full of holes

Full of hole
