At The Beginning
Richard Marx

Song title:At The Beginning
By: Richard Marx and Donna Lewis
OST - Anastasia

[Verse]

```
    C             Am          Bb        G
We were strangers starting out on a journey
C                     Am        F       G
Never dreaming what we d have to go through
Am   G      C             Am            F
Now here we are and I m suddenly standing
Bb      Gsus4          G
At   the Beginning with you
```

```
D          Bm          C             A
No one told me I was going to find you
D          Bm          G       A
Unexpected what you did to my heart
Bm    A    D      Bm          G
When I lost hope you were there to remind me
C      Asus4      A
This is the start
```

[Chorus]

```
     D
And Life is a road and I wanna keep going
     G
Love is a river I wanna keep flowing
    Bm                  G          A
Life is a road now and forever wonderful journey
     D
I ll be there when the world stops turning
     G
I ll be there when the storm is through
    Bm
In the end I wanna be standing
G        A        D
At the beginning with you
```

[Verse]

```
     C              Am          Bb         G
We were strangers on a crazy adventure
C                  Am          F       G
Never dreaming how our dreams would come true
Am   G      C              Am           F
Now here we stand unafraid of the future
Bb       Gsus4          G
At the Beginning with you

[Chorus]

     D
And Life is a road and I wanna keep going
     G
Love is a river I wanna keep flowing
   Bm                          A           B
Life is a road now and forever wonderful journey
     D
I ll be there when the world stops turning
     G
I ll be there when the storm is through
   Bm
In the end I wanna be standing
G          A           D
At the beginning with you

[Bridge]

G
Knew there was somebody somewhere
G                   C
Like a light in the dark
                      Am
Now I know that dreams will live on
       F
I ve been waiting so long
   Bsus4               B
Nothing s gonna tear us apart

[Chorus]

E
And Life is a road and I wanna keep going
   A
Love is a river I wanna keep flowing
   C#m                  B              A
Life is a road now and forever wonderful journey
     E
I ll be there when the world stops turning
   A
```

```
I ll be there when the storm is through
    C#m
In the end I wanna be standing
A          B          E
At the beginning with you

    C#m                     B                   A
Life is a road now and forever wonderful journey
    E
I ll be there when the world stops turning
    A
I ll be there when the storm is through
    C#m
In the end I wanna be standing
A          B          E
At the beginning with you
```
