Chains Around My Heart
Richard Marx

Chains Around My Heart by Richard Marx

Intro: **F#m D Bm A G#m** (2x) **G**

A   (/F#)   **E**   **D**
Out of my sight, but the vision is still the same
A   (/Bm) (/F#)   **E**   **D**
Out of my mind, but the memory remains unchanged
D   **A**
Stones thrown in anger hold twice the hurt
D   **Bm**   **D**-**E** hold
Return to sender could only make things worse

Chorus:
 E   **A**   **F#m**
Girl, you ve got to break these chains around my heart
                E   **B**
Cause I ve been lonely too long
 E   **A**   **F#m**
You ve got to break these chains around my heart
          E   **B** (/Eb)   **E** hold (/**F#m** - **E** - **Eb**)
So I can finally get on with my life

A   (/F#)   **E**   **D**
Don t ask me why, why I ve lived with this all alone
A   (/Bm) (/F#)   **E**   **D**
Locked up inside, and its cutting me to the bone
D   **A**
Love is a stranger avoiding me
D   **Bm**   **D**-**E** hold
Beware of danger s the only sign I see

(Repeat Chorus)

D   **E**
Are you listening, is there something that you d like to say?
D   **E**
Am I getting through, are you just gonna leave me this way?

Coda: **A F#m E B** (2x)

Bridge:
 E   **A**   **F#m**
Girl, you ve got to break these chains around my heart
          E   **B**
Before it tears me in two
 E   **A**   **F#m**

```
You ve got to break these chains around my heart
            E                 B
That s all I m asking of you
 E                                A              F#m
You ve got to break these chains around my heart
                 E         B
Cause I ve been lonely too long
 E                                A              F#m
You ve got to break these chains around my heart
           E              B        (/Eb)-E hold (/F#m - E - Eb)
So I can finally get on with my life.

Note: The chords in the bracket is a guide for bass, enjoy!
