

Keep Coming Back

Richard Marx

I tried to find out the chords. Though beginning from Bm.

Bm D A E
You know just how to hurt me
Bm D A E
And how to take all the pain away
Bm D A E
Girl, you must be the devil
Bm D A E
in disguise

Bm D A E
There were times, I think you knew
E Bm D A E
When I was so afraid of you
Bm D A E
There s some kind of madness
Bm D A E
in your eyes

A D
You know a place buried deep in my heart
Bm E
That nobody else can see
A F#
Something in you has taken some kind of hold on me

Bm D A E Bm D A E
Chorus:I don t know why I keep coming back to you baby (x2)

Bm D A E
You say we shouldn t be lovers
Bm D A E
And I say we can t just be friends
Bm D A E
And baby all this talking makes me
Bm D A E
want you more

A D
You ve got a way of confusing a heart
Bm E
that nobody else could do
A F#
Why should I try, I don t wanna get over you

Repeat chorus.

Bm **E** **A** **F#** **Bm**
I m so in love, so in love with the games that you play
D **E** **D** **F#** **Bm** **E**
I m so in love and nothing can keep me away

Repeat chorus.
