

Through My Veins
Richard Marx

I googled the chords for this song but I couldn't find them so I decided to look for them the hard way and contribute them on Ultimate Guitar

I would recommend using the whole bar F chord

Intro

D Em C G

Am **F**
I saw you sitting by the window
C **G**
Of a cafe I passed by
Am **F**
And though clearly my reflection
C **G**
It was your face I recognised
Am **F** **C**
And after all these years I m still right here
G
Where you left me

Am **F**
 And I ve been calling out
C **G**
 Believing you would answer
Am **F**
 But I ll try to let go now
C **G**
 Cause it s you running through
Am **F** **C** **G**
 My veins

Am **F**
You'd come by when I was dreaming
C **G**
But lately you've been gone
Am **F**
Maybe I've been trying too hard
C **G**
And maybe you have just moved on
Am **F** **C**
I guess there's not a lot that you forgot
G

To tell me

Am **F**
And I ve missed you hanging round

C **G**
And the way we were together

Am **F**
But I can t let go now

C **G**
Cause it s you running through

Am **F** **C** **G**
My veins

Am
Oh

F **C** **G**
It s you running through my veins

Am
Oh

F **C** **G**
And it s you running through my veins

Am
Oh

F **C** **G**
It s you running through my veins

Outro

Am **F** **C** **G**
