**Richard Swift**

Artist: Richard Swift  
Album: The Novelist / Walking Without Effort  
Song: Losing Sleep

RIP Richard Swift.

[Verse 1]

**D**                    **Dmaj7**  
It s alright,            It s alright  
                         **Em**  
I seem to have misplaced my words  
**Gm**                    **A**                    **D**  
    And they re all out of time  
**D**                    **Dmaj7**  
So come on now...        What you thinking about?  
                         **Em**  
I wish I could read your mind  
**Gm**                    **A**                    **D**  
    I can barely read mine

[Chorus]

**Am**            **G**            **D**  
    I m losing sleep  
                         **G**            **D**            **E**  
I must lay down my heavy heart  
**Am**            **G**                    **D**  
    And try to get it right  
                         **G D**            **E E**  
To turn the sky upside-down

[Verse 2]

**D**                    **Dmaj7**  
    It s alright,            It s alright  
                         **Em**  
I wish you could stay for a while  
**Gm**                    **A**                    **D**  
    Though you ve got to be gone  
**D**                    **Dmaj7**  
So come on love...        I ll sing you a song  
                         **Em**  
About how I drove to L.A.  
**Gm**                    **A**                    **D**  
    With my head full of gray

[Chorus]

**Am**            **G**                    **D**  
    I m losing sleep

**G**      **D**      **E**  
I must lay down my heavy heart

**Am**      **G**                  **D**  
    And try to get it right

**G D**          **E**      **E**  
To turn the sky upside-down

**Am**      **G**                  **D**  
    I m losing sleep

**G**      **D**      **E**  
I must lay down my heavy heart

**Am**      **G**                  **D**  
    And try to get it right

**E**      **E**      **E**  
Right tonight

[Interlude]

**Am**      **G**      **D**      **D**      **G**      **D**      **E**  
**Am**      **G**      **D**      **E**      **E**      **E**

[Chorus]

**Am**      **G**                  **D**  
    I m losing sleep

**G**      **D**      **E**  
I must lay down my heavy heart

**Am**      **G**                  **D**  
    And try to get it right

**G D**          **E**      **E**  
To turn the sky upside-down

**Am**      **G**                  **D**  
    I m losing sleep

**G**      **D**      **E**  
I must lay down my heavy heart

**Am**      **G**                  **D**  
    And try to get it right

**G D**          **E**  
To turn the sky upside-down
