The heart of a man in need?

All of my friends don t comprehend me
Their kind of style it just offends me
I want to take them
I want to shake them
Til they pay me some heed
You ve got to ride in one direction
Until you find the right connection

It s so hard to find
It s so hard to find
Who s going to cure
The heart of a man in need?

(Guitar solo over verse and chorus chords)

Who s going to give you Real happiness?
Who s going to give you contentedness?
Who s going to lead you?
Who s going to feed you?
And cut you free?
Well I ve sailed every ship in the sea
But I traveled this world in misery

It s so hard to find
It s so hard to find
Who s going to cure
The heart of a man in need?

Who s going to shoe your feet?
