Verse and Chorus are played the same for each subsequent verse and Chorus section, with different words.

(Verse:)

Am F  
I feel for you, you little horror

Dm G  
Safe at your mother s breast

Dm Am F G  
No lucky break for you around the corner

Am Am/G F  
Cause your father is a bully

Dm G  
And he thinks that you re a pest

C/G F C Am  
And your sister she s no better than a whore.

Dm Am F G  
Life seems so rosy in the cradle,

Am G F G  
But I ll be a friend I ll tell you what s in store

Dm Am F G  
There s nothing at the end of the rainbow.

Am G F G  
There s nothing to grow up for anymore

Tycoons and barrow boys will rob you  
And throw you on the side  
And all because they love themselves sincerely  
And the man hold a bread knife  
Up to you throat it s four feet wide  
And he s anxious just to show you what it s for.

Your mother works so hard to make you happy  
But take a look outside your nursery door  
There s nothing at the end of the rainbow.  
There s nothing to grow up for anymore

All the sad and empty faces  
That pass you in the street  
All running in their sleep, all in a dream  
Every loving handshake  
Is just another man to beat

How your heart aches just to cut him to the core

Life seems so rosy in the cradle,  
But I'll be a friend I'll tell you what's in store  
There's nothing at the end of the rainbow.  
There's nothing to grow up for anymore  
but I'll be a friend, I'll tell you what's in store  
There's nothing at the end of the rainbow  
There's nothing to grow up for anymore
