I Still Dream, Richard Thompson  
transcribed by phillip@princeton.edu

Intro

**F Dm C Am F Dm C Am**  
**G**

It was cruel of you to stand

**F**  
At my door and take my hand

**C C/E F**  
Like a drowning man I clung to my defenses

**G**  
And ten years is a time

**F**  
but your looks, love, it s a crime  
**C C/E F/A C/G**  
And I lost myself in the tangle of your fences

**F G**  
And I never was to know  
**C C/E F**  
That I d come to miss you so  
**C/G Dm/F**  
But time winds down  
**C/G F D**  
And I turned my back long ago

**Am C/G**  
But I still dream  
**Dm F C F/C C**  
Oh darling I still dream  
**Am C/G**  
I still dream  
**Dm F C F/C C**  
Lord knows I still dream

On the killing floor I stand

With a stun-gun in my hand  
Like a cowboy shooting bad men on the range  
And nothing satisfies  
And the soul inside me dies  
As I duck each punch and never risk the change

And now you look at me  
With that same old used-to-be  
But time winds down  
And I turned my back long ago

But I still dream  
Darling I still dream

And now you look at me  
With that same old used-to-be  
But time winds down  
And I turned my back long ago

But I still dream  
Oh darling I still dream  
I still dream  
Lord knows I still dream  
I still dream  
Darling I still dream
