D A
When you re rocked on the ocean, rocked up and down don t worry
D A /G#
When you re spinning and turning round and round don t worry
F#m E
You re just feeling seasick, you re just feeling weak
C#m D
Your mind is confused and you can t seem to speak
A D
It s just the motion
A Esus E (use D form on 4th fret)
It s just the motion
When the landlord is knocking and your job is losing don t worry
When the baby needs rocking and your friends are confusing don t worry
You re just feeling seasick you re just feeling weak
Your mind is confused and you can t seem to speak
It s just the motion
It s just the motion

Bridge:

E D
Blown by a hundred winds
C# C#7 D B
Knocked down a hundred times, rescued and carried along
E D
Beaten and half-dead and gone
F#m B F#m B
And it s only the pain that s keeping you sane
F#m B E
And gives you the mind to travel on

Oh the motion won t leave you, won t let you remain, don t worry
It s a restless wind and a sleepless rain, don t worry
Cause under the ocean, at the bottom of the sea
You can t hear the storm it s as peaceful as can be

It s just the motion
It s just the motion
