## Mr Rebound Richard Thompson

Mr. Rebound

## Bb

My sweetheart she bounced right out of my arms  $\boldsymbol{c}$ 

She was gone before I remembered to cling

Did I reach out too slowly to catch her

Or was she by nature a slippery thing

## Chorus:

DmAmDmAmCAmInto the arms of MrRebound, into the arms of clean up JoeDmAmDmAmFAmDmInto the arms of MrRebound, MrRebound, as if I didn t know

He ll give her laughs and he ll give her dreams I gave her the kids and the pots and pans He ll do for the dash and he ll do for the sprint But he won t do for a marathon man

## Chorus

I know for a fact that she ain t coming back
To tell you the truth, I m a little bit glad
She may be blind with the things on her mind
But how can she stand to touch something that bad
