

Too Late To Come Fishing
Richard Thompson

Too Late To Come Fishing

D Bm
When you were a vixen and I was a chump
F#m G
You looked at me like I crawled from a swamp
D Bm
Now things have a different complexion
F#m G
I m the object of your affection
F D
Much as I don t doubt your expertise
F D G D7
Find yourself another hunk to squeeze

Chorus:

G Bm Em
Cause it s too late to come fishing
C Bm D7
It s too late to come fishing
G Bm Em A7
It s too late and the fish don t like your bait
G D A
Tin Pan Ellie better find your way home

I know I had the flair, the clothes
Made you look right down your nose
But now you want to make a new start
I m so touched by your change of heart
But my diary s fit to overflow
Find yourself another gigolo

Chorus

I ve seen your work in that TV sketch
Playing poison women is hardly a stretch
And you were type-cast as the Stone Age charmer
In that Darwin docudrama
I d say our time has all but disappeared
Just like the shine on your fabulous career

Chorus
