

**Uninhabited Man**  
**Richard Thompson**

Uninhabited Man

Intro: **G Em C A** (2X)

**D F C D**  
Only a misdirected dart at an unprotected heart  
**F G**  
I m sure it happens every day  
**D F C D**  
Just a passing interlude, a fresh face to change the mood  
**F G**  
I ll find my feet again you say

**A7**  
What rock I had you rolled  
**D**  
What rock I had you rolled away

But I live as best I can, meet the uninhabited man  
Please read the sign and walk away  
What an old dry shell I am the uninhabited man  
I ll find my feet again you say

No doubt they ll pull me down  
No doubt they ll pull me down someday

Chorus:

**Bb D**  
Who s been sleeping in my bed, who s been sleeping in my bed  
**Bb**  
Who s been sitting in my chair, who s been licking in my bowl  
**G D** Intro  
Who s been sleeping in my bed

A romantic ruin am I, funny how I catch the eye  
The vacuum slowly sucks you in  
I m left no skill, no art, to meet you heart to heart  
You ll find no me beneath the skin

And if there s no me then there s no  
And if there s no me then there s no sin

Chorus
