

Uninhabited Man
Richard Thompson

Uninhabited Man

Intro: **G Em C A** (2X)

D F C D
Only a misdirected dart at an unprotected heart
F G
I m sure it happens every day
D F C D
Just a passing interlude, a fresh face to change the mood
F G
I ll find my feet again you say

A7
What rock I had you rolled
D
What rock I had you rolled away

But I live as best I can, meet the uninhabited man
Please read the sign and walk away
What an old dry shell I am the uninhabited man
I ll find my feet again you say

No doubt they ll pull me down
No doubt they ll pull me down someday

Chorus:

Bb **D**
Who s been sleeping in my bed, who s been sleeping in my bed
Bb
Who s been sitting in my chair, who s been licking in my bowl
G D Intro
Who s been sleeping in my bed

A romantic ruin am I, funny how I catch the eye
The vacuum slowly sucks you in
I m left no skill, no art, to meet you heart to heart
You ll find no me beneath the skin

And if there s no me then there s no
And if there s no me then there s no sin

Chorus
