

Wake Up My Soul  
Richie Furay

[Chorus]

Wake Up My Soul,  
Wake up early in the day  
Wake up my hands  
And the instrument I play  
Wake up my voice,  
Let the world hear me say  
You are worshipped and exalted here today

Wake Up My Soul,  
Wake up early in the day  
Wake up my hands  
And the instrument I play  
Wake up my voice,  
Let the world hear me say  
You are worshipped and exalted here today

Your love and kindness is great as the heavens  
Your faithfulness is higher than the sky  
Be exalted God above the heavens  
Let Your glory shine
