Come and touch the things you cannot feel.

And close your fingertips and fly where I can't hold you

Let the sun-rain fall and let the dewy clouds enfold you

And maybe you can sing to me the words I just told you,

If all the things you feel ain't what they seem.

And don't mind me 'cos I ain't nothin' but a dream.

And repeats that pretty much the whole song, play around with those chords,  
you'll figure it out
