Richie Kotzen & Wilson Hawk - Everything Good

This is the easy way to play with your guitar

Eb **Cm**
Why Can't I see It I keep falling off the track
Db **Ab** **Eb**
I've been losing what I have by dusting lines
Eb **Cm**
Why does it feel like I'm just fighting off the past
Db **Ab** **Bb**
I keep reaching for the glass I don't know, I don't know|

Eb
Why is everything good so bad for me
Ab
Why does everything right go wrong
Db **Ab** **Eb**
I'll never know why until I finally wake up
Eb
Why does everything good turn bad on me
Ab **Db**
I keep thinking I can find a way back but I can't rewind
Ab **Eb**
I guess I'd better wake up

Eb **Cm**
I still remember when my lips first touched your hand
Db **Ab** **Eb**
The butterflies began to fly in me
Eb **Cm**
But I don't remember how something beautiful could pass
Db **Ab** **Bb**
And go away so far so fast I don't know, I don't know|

Eb
Why is everything good so bad for me
Ab
Why does everything right go wrong
Db **Ab** **Eb**
I'll never know why until I finally wake up
Eb
Why does everything good turn bad on me
Ab **Db**
I keep thinking I can find a way back but I can't rewind
Ab **Eb**
I guess I'd better wake up
