

Remember

Richie Kotzen

Richie Kotzen s Remember

this is just the rythem part, your going to have to figure out the lead.

D **E**
I can read your mind
D **E**
Don t you know its easy for me after all This time
D **E**
And I know when you lie
D
If were talking on the phone or one on one
E
The truth you never hide
Bm **D**
I don t need you to teel me theres Something wrong
F#m **D**
Because your eyes are unmistakable

Bm **D**
I cant seem to get my head around you being gone
G **D**
so before you goal so before you leave

A **E** **F#m**
Remember remember remember

that yourhearts not unbreakable

A **E** **F#m**
Remember remember remember

D
That I still love you

E **D**
All the things I thought in never see

E
Have now come to be

D **E**
You said our love was strong I said that we belong

D **E**
But somehow I lost you suttently

Bm

D

I don't need you to tell me that there's something wrong

F#m

Because you give you away

Bm

D

I can't seem to get my head around you being gone

G

D

so before you go so before you leave
