Intro : D F#m/C# G Gm

D

I know you heard it all before

F#m/C#

I know the words don't seem to change it

G

Gm

I can see the doubt in your eyes, but I still conceive

D

That something good is gonna come

F#m/C#

I know that we both have waiting for so long

G

Gm

And I can feel it in my heart, I feel it in my soul, and I believe

D

F#m/C#

That if you stay, stay with me tonight

G

Gm

I promise you everything is gonna be all right

D

F#m/C#

Stay where you are Sometimes you search and you go too far

G

And the things you want, the things you need

Gm

are right here, where you are

D

F#m/C#

So won't you stay, stay with me tonight

G

Gm

I promise you everything is gonna be all right

D

F#m/C#

If you stay, stay with me tonight

G

Gm

You don't have to think about it If you believe, it's right

D

Stay with me tonight
