Father time

Now she s gone

She didn t even say goodbye

I guess she didn t have the heart to try

She didn t even have the guts to lie

Father time

Only you can turn the page
And close the curtain on this empty stage
Only you can take my pain away

My heart keeps breakin and my body keeps aching for you
It s time to hold on but there s nothin left to hold on to

Father time
Grant me just another day
Of our love I tried to make her stay
Father time
Don t tell me it s too late
All my life you know that I would wait
