A

You wake up, move on

Times are changed, times that went too fast

tearing moments from the past

While today's singing yesterday's songs

You wake up, move on

The 7 years gone

Interlude: (Riff: **B5 C#5 E5 C#5 B5**

C#5 B5 C#5)

Time, time,

time, time ticking,

time, time ticking away

That's life

it's all about living

taking it day by day

Blind, blind, leave it behind

Singing a different song

One day, you're waking up

You're seven years

Seven years gone

Chorus:

Like the moth dances with the light
sometimes a shadow that burns too bright
Shattered silence in the night
You wake up, move on

Times have changed, times that were to last
tearing moments from the past
While today s singing yesterday s songs
Growing up, holding on
The 7 years gone

7 years gone
7 years gone
7 years gone

This song is taken from the third solo album of Richie Sambora "Aftermath of
the
Lowdown". Enjoy!!!
