

The Answer

Richie Sambora

(intro) A F#7 Bm Dm E E

A F#7
The lightning flashed as angels
Bm Dm E
Rode fiery chargers through the clouds
A F#7
That answer scared me into tears
Bm E
And all the grownups laughed out loud

A D
Now the years roll on, tired voices have all gone
A D E
Now they ride their thunder through the heavens

D E A
There s a world in every drop of rain
D E A
Embracing oceans sweep us home again
D E
Come along with me, come along with me
D E A
Seek the truth, you shall not find another lie

(intro) A F#7 Bm Dm E

A F#7
They say for every living thing
Bm Dm E
There s a guide up in the sky
A F#7
That helps you pass from world to world
Bm E
So you never really die

A
Then with scythe and cloak
D
Death comes waltzing to your side
A
As the visions pass you ask
D
If there was meaning to your life
B
As you strain to hear the answer,
E F#

Spirits sing, and devils fiddle

B **E** **F#**
As he bends to whisper in your hear, he leaves you one more riddle

E **F#** **B**
Oh Oh, the answer lies beyond the pain

E **F#** **B**
All the questions in our minds We surely ask in vain

E **F#**
Come along with me, come along with me

E **F#** **B**
Seek the truth, and you shall find another life

(intro) **B** **G#7** **C#m7** **Em** **F#**

B **G#7**
And now my life is like a storm

C#m **Em** **F#**
Growing stronger every day

B **G#7**
Like the unrelenting wind

C#m7 **F#**
That comes to blow our lives away

B **E**
So I live each day like I know it s my last

B **E** **F#**
If there is no future, there must be no past

E **F#** **B**
Now I know the answers never meant a thing

E **F#**
And with each instant that I breathe

B
I feel the joy that life can bring

E **F#**
Come along with me, come along with me

E **F#** **B**
Seek the truth, you shall not find another lie

E **F#**
Come along with me, come along with me

E **F#** **B**
Seek the truth and you will find another lie
