

**Walk Besides You**  
**Richie Sambora**

(E Em7 G#m A )(x2)

**E** **Em7**  
Sometimes we live inside the madness  
**G#m** **A**  
We have to make it through the sadness,  
**E** **Em7** **G#m** **A**  
What s worse, a blessing or a curse,

**E** **Em7**  
It s gonna take a little practice  
**G#m** **A**  
We gotta keep on keepin at this  
**E** **Em7** **G#m**  
Live and learn, can t let us crash and burn

**E** **G#m**  
When you feel alone,I will sing you home  
**C#m7** **A**  
I ll be there,To help you make it through  
**E** **G#m**  
When your tears are gone,And we will go on,  
**C#m7** **A**  
I swear,There s nothing I won t do  
**E** **Em7**  
I ll always walk beside you

**G#m** **A**  
Beside you  
**E**  
Sometimes there s nothing to believe in,  
**G#m** **A**  
You end up searching for a reason,  
**E** **G#m** **A**  
Breath in, and just believe in me  
**E** **Em7**  
Many roads lead through the darkness  
**G#m** **A**  
Feeling hopeless, feeling heartless  
**E** **Em7** **G#m**  
Reach out, I ll give you all you need.

**E** **G#m**  
When you feel alone,I will sing you home  
**C#m** **A**  
I ll be there,To help you make it through  
**E** **G#m**  
When your tears are gone,And we will go on,

**C#m** **A**  
 I swear, There s nothing I won t do  
**E Em7**  
 I ll always walk beside you  
**C#m G#m E**  
 I....., I ll never get ahead of us  
**C#m B G#m E**  
 I,...I....I. I will never leave you behind,  
**B E Em7**
