

Weathering The Storm
Richie Sambora

Heey guys, these are the chords I came up with for the song. Hope you like it.
Also
comments are welcome :) thanx

G **D**
Glad to hear you re weathering the storm
C **G** **D**
It s been mean and freezing messing up your life
Am **C** **D**
In the fun house the mirrors make you ugly
C **G** **A**
After dark you re just a shadow in the night

G **D**
It takes a little time to come out clean
C **G** **D**
You got smoke and genies pouring out your lamp
Am **C** **D**
One wish left to conjure up redemption
F **Am** **G**
Hitch your collar up it s getting cold and damp

D **Am**
You can t cave into the thunder and the rain
C **G**
You just shed your skin and start back up again
Am **C** **F**
Shelter, food and sex is all we need
Am **C** **D**
To weather out the storm in times like these

G **D**
Beat the odds and climb back in the ring
C **G** **D**
You ve been bruised and battered beaten by the fight
Am **C** **D**
The Ferris wheels frozen at high noon
C **G** **A**
Some of us stay stranded our whole life

D **Am**
You can t cave into the thunder and the rain
C **G**

You just shed your skin and start back up again

Am **C** **F**
Shelter, food and sex is all we need

Am **C** **D**
To weather out the storm in times like these

D **Am**
As long as you ve seen something being born

C **G**
As long as you keep something living warm

Am **C** **F**
You ll know the feeling soon enough I m sure

Am **C** **D**
The feeling of weathering the storm

Bb
Everywhere it smells like revolution

F **C**
They re burning tires and breaking down our doors

Bb
Tearing down the same old institutions

F **G**
Investing in the same old tired wars

Solo: **D Am C G** x2
