[Intro] C C F G F F C G

F G C  
How can you turn and walk away?  
F G C  
Leaving me here with things to say?  
F G C  
How can you stand and watch me fall?  
F G C  
Don't you feel no love at all?

G Am  
I only want to say to you  
F G  
That it would break your papa's heart.  
G Am  
For him to hear the things you say  
F G  
When we could make a brand new start  
C G  
Will you hold me in your arms or let me go?  
Am G  
Cause I want to show the world how much I know,  
F  
That I love you  
G C  
And I only ever wanna be with you.
