

**Empty Heart**  
**Rick Astley**

Album: Beautiful life (2018)

[Verse 1]

**C**  
What do you know?  
**Am**  
What do you feel?  
**Em**  
What do you give?  
**F G**  
When your heart is empty  
**C**  
What do you see?  
**Am**  
Nothing is real  
**Em**  
How can you live?  
**F G**  
When your heart is empty

[Pre-Chorus]

**F**  
And the grass seems greener over there  
**F C**  
But people stop, they stop and stare at you  
**Em Am G**  
Or look right through  
**F**  
And what you'd give for just one night  
**F G**  
Show them all you got some fight in you  
**G**  
The fight is still in you

[Chorus]

**C Am Em**  
Let's go back to the beginning  
**F C Am Em**  
Let's go back to when we were winning  
**F Am Em F**  
Is there a chance, a chance to start over?  
**F**  
Cause I got to believe that you and me  
**G C**  
Can go back to the start and fill your empty heart
